

May 3, 2002

Mr. Dan Bates
General Manager
KTAL TV
3150 North Market Street
Shreveport, LA 71107

Dear Mr. Bates:

Thank you for taking your time to meet with Don Updegraff, Eric Weiss, Paula Kovacs and me. We know how busy you are and appreciate your time and interest.

We enjoyed our visit with you and look forward to working with you and other local leaders in Caddo Parish as our project moves forward. As we discussed, the Caddo Energy Center will be a 750-megawatt electric generating station located along LA Hwy 538 between Blanchard and Mooringsport. Electricity will be produced using clean-burning natural gas. We will be making a \$400 million investment in the local community. The plant will put 200-450 people to work during construction. During operation, the plant will offer 20-30 well-paying, full time jobs. By talking with and listening to you and other community leaders, we hope to be able to develop the project in a way that will provide real benefits to the nearby communities and to north Caddo Parish.

I enjoyed doing the interview with Camille Eaton. She seems to be very enthusiastic about her new assignment. I will let you and Camille know when we reach the next milestones for the project: the gray water agreement with Shreveport and the final air permit from the Louisiana Department of Environmental Quality.

I appreciated your insights into Louisiana politics. It sounds as though you have had a great deal of experience in dealing with politics and the public.

Thank you again, and we hope to see you again soon. Meanwhile, if you or Camille needs additional information, please feel free to call me at 1-866-987-0777 or Paula Kovacs at (301) 608-0707.

Sincerely,

John Burk
Director of Communications
& Public Participation

News Channel 6
Blake Russell

Dear Blake:

We want to thank you for your support of the 2002 Texarkana Open Co-ed All-Terrain 4's Volleyball Tournament. This year's event was a huge success. The commercial that you created was great in helping with the success of the Tournament. Again, I thank you. If there is anything I can do for you, please don't hesitate to give me a call at 838-4697.

In Good Health,

Michael P Minton

3150 N. Market Street
Shreveport, LA 71107**

Dear Mr. Russell:

The words "THANK YOU" cannot express the gratitude that's extended to you for your sponsorship of the 16th annual "Let The Good Times Roll" festival. Thanks to your assistance and support the festival was an astounding success.

Your generosity will make it possible for Rho Omega & Friends to solidify our role as a dedicated sponsor of community services and events. Thanks for supporting our scholarship program.

Again, thank you and we look forward to future endeavors with your organization.

**Please keep us in your budget for 2003. The festival dates are June 20, 21 & 22, 2003.
THANKS.**

Sincerely,

A handwritten signature in black ink, appearing to read 'Willie JC Critton', with a stylized flourish at the end.

**Willie JC Critton, Festival Chairman

Blake -

I just wanted to personally thank
you & KTRAL for all you did to
promote & support Mudbug Madness
this year. I'm pleased to say it
was our most successful yet.
We couldn't have asked for
better support than we received
from News Channel 6 & Sean &
everyone were great. They became a
part of the Festival. Thanks
MUDBUG MADNESS
again & let's talk soon.

July 11, 2002

Blake Russell
KTAL - Newschannel 6
3150 N. Market
Shreveport, LA 71107

Dear Blake:

Thank you for joining me at today's breakfast to discuss the WALK TO CURE DIABETES. The involvement of the business community is vital to our program. Your interest and support are greatly appreciated.

I have asked Amie Roberts from the Juvenile Diabetes Research Foundation to contact you to schedule a meeting in which all of you can begin to plan for your company's participation. The goal is to identify a core group of team captains who will attend the Team Captain Kick-Off Luncheon on Thursday, August 29th. An invitation to this event will be sent to you within the next few weeks. In the meantime, if you haven't already done so, I urge you to complete the enclosed team Interest form. You may mail or fax your response to the JDRF office using the address and fax number on the form.

Additionally, I encourage you to consider joining Reliant Energy as a corporate sponsor of the Walk. All levels of sponsorship are available, but we will be printing the Walk brochures on July 26th. Please try to make your decision before this date so we may properly recognize your company. After this date we will continue to welcome sponsors, but will be unable to include company logos on the brochure.

Insulin is not a cure. Diabetes kills one American every three minutes. The only hope is research. JDRF is one of the most cost-efficient organizations in the world. In a typical year 85% of JDRF's expenses support research and education about research, earning an A rating for efficiency from the American Institute of Philanthropy.

Again, thank you for your time and support. I am confident that with your help, we will surpass our goal of \$115,000. I look forward to seeing you and your team captains at the Kick-off Luncheon.

Sincerely,

A handwritten signature in dark ink, appearing to read "John F. Ivy".

Mr. Dan Bates
KTAL TV
3150 North Market St.
Shreveport, LA 71107

Dear Dan:

Thank you for the wonderful "Neighborhood Notes" commentary on Red River District. It is indeed very exciting for Shreveport, and I hope will entice more of our young people to stay here or come back to live.

I understand that you were left off their guest list for the Preview Party, and I'm certainly sorry for that. We offered to look over their list to make sure the right people were included, but they declined. I think now they realize the importance of having "locals" give them some help in this area. Thanks for being so gracious about your commentary despite this mistake.

Hope to see you soon, Dan.

Sincerely,

Jean Byrd
KTAL
3150 N. Market
Shreveport, LA 71107

Dear Jean:

Thank you for joining me at the Juvenile Diabetes Research Foundation **WALK TO CURE DIABETES** Kickoff Luncheon on August 29th. We were thrilled with the response we received from the business community and appreciate your support in JDF and finding a cure for diabetes.

To help reach our fundraising goal of \$115,000, if you haven't done so already, please fax your Interest form to Amie as soon as possible 318-798-1194. Amie Roberts, will be contacting you in the following weeks through phone calls, team captain weekly updates, and personal visits. Please call Amie if you have any questions or need any additional Walk supplies or materials.

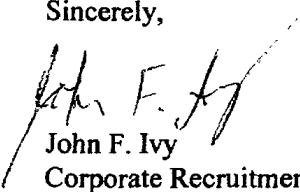

In addition, some of the actions I would like you to consider within your company or organization include:

- **Internal Kickoff:** Schedule a kickoff presentation within your company. The presentation may be brief (10-20 minutes) but will serve as one of your most effective team building tools. Amie will be happy to help you plan your kickoff.
- **Internal Memo:** Send a memo to your top-level management and employees, encouraging them and their friends and family members to join you in the Walk.
- **Sponsorship:** Join Reliant Energy as a corporate sponsor of the Walk. There are many benefits to your company according to the level you choose.
- **Team T-shirts:** Design your own corporate walk team T-shirts for your employees to wear on the day of the Walk.

We look forward to working with you between now and October 19th, to help you build a large walk team. If you know of any companies or individuals interested in participating in the JDF Walk, please let us know. We would love to include them.

On behalf of the Juvenile Diabetes Research Foundation and all the people who are affected by diabetes, we thank you for supporting this year's **WALK TO CURE DIABETES**. I know that with your support we will reach our goal of raising \$115,000 for diabetes research.

Sincerely,

John F. Ivy

Mr. Dan Bates
KTAL-TV
3150 North Market
Shreveport, LA 71107

Dear Dan:

The 27th Red River Revel will take place on the Shreveport Riverfront September 28 – October 5. On behalf of the Revel Governing Board, I would like to thank you for the support you have provided towards the 2002 festival.

Each year the Revel's continued success occurs because of the continued support we receive directly from our community. The Revel reflects 27 years of grass roots volunteer creation of one of the finest art festivals in the country. The success of the Revel is due to its 6,000 volunteers and the hundreds of corporations that support the Revel financially.

We are enclosing two parking passes and four eight-day Reveler gate passes for your use during the festival. This parking pass is good for the reserved parking (space available) in the Railyard Lot across from Sci-Port on Lake Street.

Again, thank you for your support.

Sincerely,

C. L. Holloway

Shreveport, Louisiana 71107

Dear Mr. Bates:

I would like to thank KTAL for their help in presenting the 21st Annual Quadrangle Festival. The station helped the Texarkana Museums System raise important revenue for the operation of Discovery Place Children's Museum, Ace of Clubs House, and the Museum of Regional History. I sincerely appreciate your generous spirit that makes it possible for the Texarkana Museums System to serve over 60,000 people a year through high-quality educational and cultural programs and exhibits.

I would also like to commend the fine people of your staff who worked very hard to make the entire festival a success, especially the weather crew that was always kind and patient with my weather questions and concerns. They were all very helpful and supportive of our efforts. Please extend my thanks and appreciation to Blake Russell.

Our community is fortunate to have civic-minded business like KTAL, and I look forward to working with you and the stations' staff next year.

Once again, thank you.

Kindest regards,

Guy C. Vanderpool

Dear Blake:

On behalf of the Juvenile Diabetes Research Foundation (JDRF), I would like to thank you and KTAL News Channel 6 for being our media sponsor in support of the Walk to Cure Diabetes. Even with the rain, over 200 people attended Walk Day and your contribution helped us produce an event that was a pleasant experience for all participants.

The mission of the Juvenile Diabetes Research Foundation is to find a cure for diabetes and its complications through the support of research. In a typical year, 85 percent of JDRF's expenditures directly support research and education about research. Your donation helps us to maintain this high level of excellence and to this we are extremely grateful.

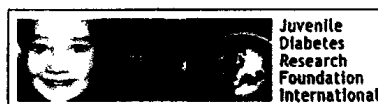

We look forward to your involvement in next year's Walk to Cure Diabetes. Thanks again for your support!

Sincerely,

Amie C. Roberts
JDRF Special Events Coordinator

P.S. Please keep this letter as your receipt. According to the IRS, your donation is fully tax deductible, as no goods or services were received in exchange for this gift. JDRF Federal Tax ID # is 23-1907729.

Dear Friends of the Home:

Time flies as we have already entered our second month of the year. The Lord has blessed us with good weather that allows for the children to play and spend more time outside. February is the month of love and it truly is here at the Home. God has placed people, churches and organizations in our path that have been so generous and loving to us. We are excited about the future because we know how good the Lord is and how he will bless us, and you, as we follow Him.

We are so thankful for the gift of Circus Gatti tickets for 24 adults and 36 children you have given us. "Thankful" is only a word that shows our appreciation for your generosity. You have shown by your gifts what true love really is: sacrificing some of what you have for others less fortunate. Without the support you show us, we would not be able to continue this wonderful ministry God has given us. Thank you for taking part in this ministry, and please know that a tremendous blessing and thanks to God has been offered for you.

Thank you so very much, and may God bless you richly in the future!

Yours in Christ,

Paul R. Denny
Assistant Administrator

Dear Ron,

Thank you for your generous donation of trip packages to Six Flags and Hurricane Harbor. These gifts were used as prizes for the "Little Bass" campaign conducted in conjunction with area McDonald's restaurants. This contest is part of the Ark-La-Tex Big Bass Classic, benefitting Opportunities, Inc., and we raised over \$6,000 through this contest alone.

Because of the support of committed sponsors such as Clear Channel the tournament raised over \$20,000 to support programs for children and adults who have developmental disabilities and the elderly. We appreciate the time Andi and Mario put in to making this tournament such a success, and we are grateful for your continued support of Opportunities, Inc.

Sincerely,

Dear Friends of the Home:

Time flies as we have already entered our second month of the year. The Lord has blessed us with good weather that allows for the children to play and spend more time outside. February is the month of love and it truly is here at the Home. God has placed people, churches and organizations in our path that have been so generous and loving to us. We are excited about the future because we know how good the Lord is and how he will bless us, and you, as we follow Him.

We are so thankful for the gift of Circus Gatti tickets for 24 adults and 36 children you have given us. "Thankful" is only a word that shows our appreciation for your generosity. You have shown by your gifts what true love really is: sacrificing some of what you have for others less fortunate. Without the support you show us, we would not be able to continue this wonderful ministry God has given us. Thank you for taking part in this ministry, and please know that a tremendous blessing and thanks to God has been offered for you.

Thank you so very much, and may God bless you richly in the future!

Yours in Christ,

Paul R. Denny
Assistant Administrator
